

# Joshua Can Sponsorship Levels

DSA is more than just a school; it's a beacon of empowerment and possibility. We are here to challenge the pervasive belief that children and individuals with disabilities are confined by their limitations. At DSA, we redefine the narrative by embracing diversity and celebrating the unique abilities of each individual. We reject the notion that a disability equates to a lack of ability, and instead, we foster an environment where every student can thrive and lead a fulfilling life. We believe in the "able" in the label.
